About Spy Hop's Annual Benefit

Youth media matters!

Sponsor a celebratory evening showcasing youth performances in music, film, audio, and digital design. Over 300 of Utah's philanthropic, business, and community leaders come together to raise unrestricted and program funds so Spy Hop can mentor 10,000 youth in the media arts in 2025—at no cost to them or their families!

The Impact of Your Support

The Mission Is Possible because of you!*

Your sponsorship provides free media arts mentorship for 10,000 of Utah's youth. Utah turns to Spy Hop as the state's demand for workforce readiness, mental health support, and arts education grows. Your sponsorship brings opportunities to our rising generation of artists, dreamers, and change-makers!

Your mission, should you choose to accept it...

Spy Hop's mission is to mentor young people in the media arts to help them find their voice, tell their stories, and effect positive change in their lives, communities, and the World.
